## INSTRUCTIONS FOR PREPARING REPORT

When an officer is assaulted in the line of duty, an entry should be made on the appropriate line for type of activity (lines 1-11), under type of weapons used (columns B-E), and under type of assignment (columns F-L). An entry should also be made in either line 13 (injury) or line 14 (no injury). Also count the assault by the time of day on line 15.

When any of these assaults are cleared, an entry should be made under column M for appropriate activity.

At the end of the month, add all lines under columns B through E and enter in column A. The total of columns F through L should equal the total of columns B through E as entered in column A. Also add all columns down and enter in line 12.

### Columns B-E:

If more than one type of weapon is used to commit a single assault, the column encountered moving from left to right (B to E) which shows one of the weapons used should be selected for the entry. Do not enter any of the other different types of weapons which were used.

### Columns F-L:

Column F (Two-Officer Vehicle) and columns G and H (One-Officer Vehicle) pertain to uniformed officers; columns I and J (Detective or Special Assignment) to non-uniformed officers; columns K and L (Other) to officers assaulted while in a capacity not represented by columns F-J such as foot patrol, off duty, etc.

### Column M:

In column M count the number of "assault on officer" offenses cleared. Do not count the number of persons arrested for such offenses. Include exceptional clearances.

### Lines 1-11:

Indicate the type of police activity the officer was engaged in at the time of assault.

### Line 12:

Enter the total of lines 1-11.

### Line 13:

Enter the number of assaults from line 12 which resulted in personal injury to the officer.

### Line 14:

Enter the number of assaults from line 12 in which there was no injury to the officer.

### Line 15:

Enter the total number of assaults on police officers occurring within the appropriate two-hour intervals.
